Judy Awong-Taylor, Dick Nordquist, and Steve Taylor had reported conflicting meetings

Order of Business:

I. Minutes of the meeting of December 03, 2001 were approved

II. A motion was approved to ADD ECON 4150 and approve as a choice in the Program for the BA in Economics under item B. Major Field Courses/Appied.

   ECON 4150 Money and Capital Markets  3-0-3
   Prerequisites: ECON 2105 and 2106
   An examination of the role of money and financial institutions in the exchange process, the Federal Reserve's monetary policy strategy, and the impact of monetary policy on financial markets and aggregate economic activity.

   CURCAT: Effective Fall 2002 Cross-listed Courses: none Repeatable: no
   Grading: normal/audit Instruction Type: lecture Equiv. Course: no

   Rationale: course will be a valuable addition to the major.

III. A motion was approved to CHANGE the grading mode of JOUR 4000 from S/U to Normal

   CURCAT: Effective Fall 2002 No other changes

   Rationale: Erroneous listing in CURCAT

IV. A motion was approved to CHANGE the prerequisite for GEOG 5870U from “none listed” to “HIST/POLS 1100 or HIST 2111 or HIST 2112, or permission of instructor.”

   CURCAT: Effective Fall 2002 No other changes

   (Dr. Hopkins, the Department of History representative, was reminded to also submit this item to the Graduate Curriculum Committee if it had not been done.)

   Rationale: This item was inadvertently omitted from the list of courses/prerequisites previously submitted.

V. Items V.A and V.B were approved:

   A. ADD POLS/PUBL 4650

   POLS 4650 Practicum V-V-3
   Prerequisite: permission of instructor or department, junior or senior status
Student will pursue a research topic along with his/her field experience in government, public service or applied politics. Research paper or portfolio is required. Cross-listed as PUBL 4650.

**PUBL 4650 Practicum V-V-3**
Prerequisite: permission of instructor or department, junior or senior status
Student will pursue a research topic along with his/her field experience in government, public service or applied politics. Research paper or portfolio is required. Cross-listed as POLS 4650.

**CURCAT:**
- Effective Fall 2002
- Cross-listed: as: listed
- Repeatable: no
- Grading: normal
- Instruction Type: practicum
- Equiv. Course: no

Rationale: POLS 4620-40 Internship credit is currently graded on an s/u basis. POLS/PUBL 4650 allows a student to do an internship and receive a letter grade. This course would be taken in accompaniment with the political science internship by students wishing to pursue a research topic along with the internship. The course would be graded and a research paper or portfolio would be required. The practicum would count as upper division credit toward the political science major.

B. CHANGE the description of **POLSPUBL 4620-30-40 Internship** by adding the statement

“Graded on a satisfactory/unsatisfactory (S/U) basis.”

**CURCAT:**
- Effective Fall 2002
- No other changes

VI. The meeting was adjourned at 12:30
