Armstrong Atlantic State University
Minutes of the College of Arts and Sciences Curriculum Committee Meeting
Monday, December 3, 2001

The meeting was called to order at 12.08 p.m. Monday, Dec. 01, 2001 in Victor 101. The names of members present are shown in bold: Scott Buchanan, Art, Music, Theater; Judy Awong-Taylor, Biology; Leon Jaynes, Chemistry, Physics; Chuck Shipley, Computer Science; John Kearnes, Criminal Justice, Social and Political Science; Richard McGrath, Economics; Dick Nordquist, General Studies, June Hopkins, History; Carol Jamison, Languages, Literature, & Philosophy; Selwyn Hollis, Mathematics; James Handley, Military Science; Steve Taylor, Psychology. Scott Buchanan, Dick. Nordquist and Chuck Shipley had conflicts. Carol Andrews of LLP was a visitor.

I. T minutes of the meeting of November 01, 2001 were approved.

II. The following Program for the BA in English with Teacher Certification was approved. (This program is to replace the program approved at the previous (November 5, 2001)) meeting of the A&S Curriculum Committee.)

A. General Requirements
   Core Area A, B, C, D, and E……………………………………………………42 hours
   Area F…………………………………………………………………………18 hours
   ENGL 2100 Literature and Humanities (if taken in area C, substitute one course from ENGL 211-2132)
   MGSE 2000 The Professional Educator
   MGSE 2150 Adolescent growth and Development
   Foreign Language 1002 Elementary Language II
   Foreign Language 2001 Intermediate Language I
   Foreign Language 2002 Intermediate Language II
   Physical Education …………………………………………………………3 hours

B. Major Field Courses………………………………………………………39 hours
   ENGL 3010 – Introduction to Literary Studies
   ENGL 3020 – Introduction to Composition Studies
   Four courses to include World, British, and American selected from
   ENGL 2111 - World Literature I
   ENGL 2112 - World Literature II
   ENGL 2121 - British Literature I
   ENGL 2122 - British Literature II
   ENGL 2131 - American Literature I
   ENGL 2132 - American Literature II
   One course selected from
   ENGL 5400U - British Poetry
   ENGL 5410U - British Novel
   ENGL 5440U - Early English Literature
   ENGL 5470U - 17th Century British Poetry and Prose
   ENGL 5500U - 18th Century British Poetry and Prose
   ENGL 5520U - 19th Century British Poetry and Prose I
   ENGL 5530U - 19th Century British Poetry and Prose II
   ENGL 5560U - British Drama I or ENGL 5570U – British Drama II
   One course selected from
   ENGL 5360U - American Novel
   ENGL 5370U - American Poetry
   ENGL 5380U - Southern Literature
   ENGL 5540U – Modernism
   ENGL 5550U - Contemporary Literature
   One course selected from
   ENGL 4200U - Post Colonial Literature
   ENGL 5340U - Literature by Women
   ENGL 5350U - African American Literature
   One course selected from
   ENGL 5350U - Advanced Grammar
   ENGL 5820U - History of the English Language
   One course selected from
   ENGL 3720 - Business and Technical Communication
   ENGL 4700 - Advanced Composition
ENGL 5730U – Rhetoric

One course selected from

FILM 3360 – Critical Approaches to Mass Culture
FILM 3400 – History of Film
FILM 3490 – Television Theory and Criticism
FILM 3500 – Introduction to Film
FILM 3510 – Film and Literature
FILM 5010U – Topics in Film
FILM 5020U – Film Theory and Criticism

One course selected from

ENGL 5450U – Shakespeare I
ENGL 5460U – Shakespeare II

C. Related Field Courses .................................................. 30 hrs.

MGSE 3200 Middle School Practice and Theory II
MGSE 3050 Sec. Curriculum & Methods, General
MGSE 4090 Class Management
MGSE 4280 Teaching Literacy
MGSE 4392 Sec. Curriculum & Methods, English
EXEC5100U – Educ Students with Disability
MGSE 4180 – Young Adult Literature
MGSE 4750 – Student Teaching (9 hrs.)

Total Semester Hours .................................................. 132

D. Regents’ Test and Exit Exam

III. The following items A, B, and C from the Department of Mathematics were approved

A. Modify the catalog copy for the Department of Mathematics, under Progress Requirements (p. 110 AASU 2001-02 Catalog) as follow:

“In order to complete the prerequisites for a mathematics course other than MATH 2200 or MATH 2900, the prerequisite courses must be completed with a grade of C or better unless the prerequisite course is MATH 1111.”

CURCAT: Effective Summer 2002

Rationale: The principal effect of this change is to require a grade of C or better in MATH 1111 as a prerequisite for MATH 1113. Previously, a student could register for MATH 1113 with a grade of D in MATH 1111. This change also reflects the fact that MATH 1101 also serves as a prerequisite for MATH 2200 and MATH 2900.

B. 1. Change the prerequisite for MATH 1113 (Precalculus Mathematics) by added the bold statement as follows:

Prerequisite: MATH 1111 or a grade of at least 550 on the mathematics portion of the SAT

2. Change the prerequisite for MATH 1161 (Calculus I) by added the bold statement as follows:

Prerequisite: MATH 1113 or a grade of at least 600 on the mathematics portion of the SAT

CURCAT: Effective Summer 2002

Rationale: These prerequisites are listed on the electronic course descriptions, and have been in the catalog in years past, but have been omitted from recent versions of the catalog. They more accurately reflect the prerequisites used by the Department of Mathematics and the Office of the Registrar.

C ADD MATH 4964 Practicum in Teaching Mathematics

MATH 4964 Practicum in Teaching Mathematics V-V-(1-3)
Prerequisite: Permission of instructor or department head
Students assigned to classroom teachers in grades 7 - 12 or special teaching/practicum assignments under
the supervision of a teacher. May include Saturday school, summer school, Project PREP, assigned
tutorials. Grading will be Pass/Fail, with 1 semester hour of credit equivalent to 60 practicum hours.
Repeatable to a total of 3 credit hours.

CURCAT: Effective Summer 2002 Cross-listed Courses: none Equiv course: none
Instruction type: internship Repeatable: to a total of 3 credits hours Grading: Pass/Fail

Rationale: Each mathematics education major must complete 450 hours of field experience practicums prior to 
student teaching, as mandated by the Board of Regents. These students must complete 120 of these hours in 
preplanning and postplanning practicums, and at least 150 hours in Middle Grades and Secondary Education classes.
This course will serve to document any remaining practicum hours (up to 180) completed in practicum activities 
such as those described above.

IV. Items A, B, C, and D from the Department of Chemistry and Physics were approved

A. Change course number and pre/corequisites for CHEM 2010 as follows:

CHEM 2010 1010 ESSENTIALS OF CHEMISTRY (3-0-3)
Prerequisite or Corequisite: Eligibility for MATH 1111 or MATH 1101
CURCAT: Effective Summer 2002. No other changes
Rationale: The course content is taught at the freshman level and requires some college-level math background

B. ADD CHEM 4500: and replace CHEM 5500U in the program for the degee B. S. in Chemistry /B.Major 
Field Courses p. 85 AASU 2001-02 Catalog.) with CHEM 4500

CHEM 4500 CHEMISTRY SEMINAR (2-0-2)
Prerequisite or corequisite: CHEM 3402
Use of chemical journals. references, and electronic information sources. Includes a variety of oral and 
written assignments. Chemistry faculty involved in assessments.

CURCAT: Effective Fall 2002 Cross-listed Courses: none Repeatable: no
Grading: normal/audit Instruction Type: lecture Equiv. Course: no
Rationale: The course now exists as CHEM 5500U, which is being deleted. CHEM 4500 has a different 
prerequisite to ensure that all seniors have completed the required sequences prior to taking the course as it 
is used as the department's 'capstone' course.

C. Change the course description of CHEM 4300 ADVANCED INSTRUMENTAL ANALYSIS as 
follows:
Advanced applications of spectrometric and chromatographic analysis analyses. Ultraviolet, atomic 
emission, atomic absorption, infrared, nuclear magnetic resonance, mass spectrometry, gas and high 
performance liquid chromatography. Applications of instrumental analysis emphasized in 
the lab.

Rationale: The change more accurately reflects the content of the course as it has been taught over the past 
three years and will continue to be taught.

D. 1. ADD
GEOL 2010H HONORS PHYSICAL GEOLOGY (3-3-4)
Prerequisite: eligibility for MATH 1111
Introduction to earth materials and their characteristics; investigation of the processes that effect change on Earth's materials and landscapes over the long span of geologic time; study of changes in natural systems to restore equilibrium and examination of characteristics of natural hazards in order to minimize human risks. Applications of physical geology emphasized through lab investigations and all-day field trip activities to mines, quarries and landscapes of significant importance. A more in-depth treatment of the topics covered in GEOL 2010.

2. Include GEOL 2010H in the core curriculum in Area D, Option 1. Non-Science Majors, 1.
Rationale: The GEOL 2010H course has been approved by Georgia Tech for use in the engineering program IF a lab is included. The lab is part of the proposed course while the existing course, GEOL 2010, has no lab. The inclusion of the proposed course in the core is appropriate since GEOL 2010 has already been approved as a science (non-lab) course in the core.

V. Items A and B from the Department of History were approved:

A. Delete the following:

HIST 3290 MEDIEVAL RUSSIA
HIST 3420 ANCIENT HISTORY
HIST 5510U HISTORY OF NORTH AMERICAN INDIANS (for information only. Graduate Curriculum Committee item)

CURCAT: Effective Fall 2002
Rationale: We no longer offer HIST 3290 and HIST 5510U; HIST 3420 has been incorporated into HIST 5480U.

B. Change prerequisites for the following xx courses: (CURCAT: all effective Fall 2002)

rationale: the reasons for changing prerequisites varies but includes changing requirements for the major, final adjustments necessitated by semester conversion, to fear of SACS.

VI. The following from the Department of Biology was approved

Change the prerequisite for BIOL 2010 as shown:
BIOL 2010 MICROBIOLOGY
Prerequisite: BIOL 1107
Prerequisite or corequisite: CHEM 1211, 1211L

VII. The meeting was adjourned at 12:50pm.
